

## GENERAL TERMS

All prices are specified including VAT, except of trophy prices that are specified as net price/price including VAT 20%.

The price list in EUR presents only the approximate prices. The only valid price list is the one in national currency dinars (RSD), which is currently in force. The exchange rate of 1EUR= 125,00 dinars was used for calculating prices expressed in dinars in this Pricelist. The dinar exchange rate is subject to constant changes. The valid pricelist in dinars and currency converter can be seen at [www.internationaldentalconsulting.com](http://www.internationaldentalconsulting.com)

The hunt is charged in dinars and if the invoice is paid by remittance from abroad, the calculation is made based on re-calculation of dinar prices in EUR according to the official exchange rate of the National Bank of Serbia on the date of invoice issuing.

Hunting dates are considered booked only after the reservation in writing (fax or a-mail) and the receipt on the advanced payment made, based on the invoice issued by "Vojvodinašume". Unless the client makes the advanced payment, within the deadline as stated in the proform invoice, it will be considered to quit the reservation of the requested dates and game for hunting.
